Plaintiff,

V.

ORDER

Defendants.

Plaintiff requests an extension of 120 days to deadlines established in the Court's prior scheduling order (ECF No. 150), citing the late start of discovery due to a number of preliminary motions filed. In his response, Defendant Hughes does not object to the extension requested by Plaintiff. As the other Defendants did not file a response, the extension is unopposed. Good cause being shown, the Court will grant the motion.

In his response, Defendant Hughes also attaches a letter to Plaintiff in which he proposes certain other scheduling changes, and requests that these suggestions be incorporated into his response. However, it is not this Court's practice to consider requests that are not made in a motion or other brief addressed to the Court.
